ROBERT B. HUNT  
Clerk

Presented by Representative MARTIN of Sinclair.  
Cosponsored by Senator BLACK of Franklin and  
Representatives: McCREA of Fort Fairfield, STEWART of Presque Isle, Senator: DAVIS of  
Piscataquis.

1           **Preamble.** The Constitution of Maine, Article IX, Section 23 requires that real  
2           estate held by the State for conservation or recreation purposes may not be reduced or its  
3           uses substantially altered except on the vote of 2/3 of all members elected to each House.

4           **Whereas,** certain real estate authorized for conveyance under this resolve is under  
5           the designations described in the Maine Revised Statutes, Title 12, section 598-A; and

6           **Whereas,** the Director of the Bureau of Parks and Lands within the Department of  
7           Agriculture, Conservation and Forestry may sell or exchange lands with the approval of  
8           the Legislature in accordance with Title 12, sections 1837 and 1851; and

9           **Whereas,** Aroostook County has experienced significant economic reductions over  
10          the last 20 years, with an unemployment rate higher than the state average, an aging  
11          workforce and a declining population; and

12          **Whereas,** an existing business, Eagle Lake Sporting Camps, established in 1889 and  
13          located on Eagle Lake Public Reserve Lands east of Route 11, desires to invest  
14          significantly in its business to grow into a year-round operation and to upgrade facilities  
15          and improve amenities, thus stimulating the economy, creating jobs and increasing local  
16          and state tax revenues; and

17          **Whereas,** such investment would not be feasible nor would such a commitment be  
18          made without the acquisition of fee simple ownership of sufficient land to develop and  
19          expand the business and without the lease of additional adjoining land to support a  
20          modern wilderness destination resort; and

21          **Whereas,** the subject land is now used as a developed commercial sporting camp  
22          property, and no vital conservation land or wildlife habitat nor outdoor recreation  
23          opportunities, such as hunting and fishing, are affected by the change in land ownership,  
24          and the investment permitted by this conveyance would increase access and opportunities  
25          for public use of the Eagle Lake Public Reserve Lands; now, therefore, be it

26          **Sec. 1. Director of the Bureau of Parks and Lands to convey certain land**  
27          **in T16 R6. Resolved:** That the Director of the Bureau of Parks and Lands within the  
28          Department of Agriculture, Conservation and Forestry, referred to in this resolve as "the  
29          director," shall convey, by quitclaim deed without covenant and at appraised fair market  
30          value agreed to jointly by the director and the purchaser, to Roosevelt Conference Center,  
31          doing business as Eagle Lake Sporting Camps, and its successors and assigns, the land  
32          described in the lease of land in Township 16, Range 6 current as of the effective date of  
33          this resolve from the State to Eagle Lake Sporting Camps and such additional contiguous  
34          land as agreed to by the director and the purchaser to the east of the leased land for a total  
35          of 12.86 acres, subject to the State's retaining or withholding any rights to subdivide the  
36          land conveyed. In addition, the director shall convey to Eagle Lake Sporting Camps, for  
37          the appraised fair market value agreed to jointly by the director and the purchaser, an  
38          access right-of-way that is no greater than 66 feet wide along the service road to the  
39          Square Lake Road. The conveyance of the right-of-way must include conditions that  
40          allow Eagle Lake Sporting Camps to maintain the road and make road improvements  
41          after acquiring prior written approval from the State. The conveyances required by this

1 section must contain conditions granting the State the right of first refusal, within 90 days  
2 following notice by Eagle Lake Sporting Camps of intent to transfer the land or the  
3 right-of-way, to reacquire the parcel and the right-of-way at the appraised fair market  
4 value agreed to jointly by the director and the purchaser, if the use of the land for a  
5 year-round sporting camp or Class A restaurant, as defined in the Maine Revised Statutes,  
6 Title 28-A, section 2, subsection 15, and lodge open to the public is discontinued or if  
7 Eagle Lake Sporting Camps fails to maintain appropriate licenses to conduct those  
8 activities from the Department of Health and Human Services.

9 If the director intends to lease any land to Eagle Lake Sporting Camps other than that  
10 required by this resolve, the director shall provide an opportunity for and consider  
11 comments regarding public access to the Eagle Lake Public Reserve Lands from  
12 representatives authorized by the Town of Eagle Lake.
