1 **Be it enacted by the People of the State of Maine as follows:**

3 **10. Protection of a child from misuse of identity.** The department shall adopt rules
4 to protect a child from the misuse of the identity of the child for household, business or
5 commercial purposes. Rules adopted pursuant to this subsection are routine technical
6 rules as defined by Title 5, chapter 375, subchapter 2-A. The rules must provide for the
7 following procedures when a person in a household that includes a minor child applies for
8 or renews an application for cash or medical assistance from the department:

9 A. Enabling the department to review information about and inquire and ascertain
10 whether a person who applies for or renews an application for cash or medical
11 assistance has misused the identity of the child, including, but not limited to, the
12 social security number and credit history of the child;

13 B. Requiring that, in applying for or renewing an application for cash or medical
14 assistance, the applicant and the child, if the child is able to sign a release, each sign a
15 release authorizing the department to make the inquiry and to receive and review any
16 information under paragraph A. The rules must require releases with respect to all
17 children in a household; and

18 C. Referring the matter to the Attorney General for consideration and possible legal
19 action if the department determines that the identity of a child has been misused.

20 The department shall report by April 1st each year to the joint standing committee of the
21 Legislature having jurisdiction over health and human services matters on the results of
22 inquiries, reviews of information and referrals made pursuant to this subsection.

23 **SUMMARY**
