5 When ~~the death of~~ any client in any correctional or detention facility ~~is not clearly the~~  
6 ~~result of natural causes~~ dies, an examination and inquest must be held as in other cases,  
7 and the commissioner or the chief administrative officer of the facility shall cause a

14 client may also request that an autopsy be performed, in which case an autopsy must be  
15 performed.

16 **SUMMARY**

17 This bill requires that an examination and inquest be held whenever a prisoner in a  
18 state correctional or detention facility dies.

19 It also requires a medical examiner to determine whether an autopsy is needed. If the  
20 medical examiner determines that an autopsy is needed, an autopsy must be performed  
21 unless the prisoner had expressed a preference when admitted to the facility or at any  
22 other time that an autopsy not be performed or the next of kin of the prisoner expresses a  
23 preference that an autopsy not be performed. The next of kin of the client may also  
24 request that an autopsy be performed, in which case an autopsy must be performed.
