37 **SUMMARY**

38 This bill requires the applicable authority, when determining whether a law
39 enforcement officer, firefighter, emergency medical services person or corrections officer
40 has died while in the line of duty, to evaluate whether an individual who died by suicide
41 has died while in the line of duty. The bill also gives the Commissioner of Corrections,

1 rather than the Chief of the State Police, the authority to make that determination for
2 Department of Corrections law enforcement officers.
