11 **SUMMARY**

12 This bill clarifies that, in proceedings in which the best interest of a child is  
13 considered, giving custody to a family member rather than a parent must be given  
14 consideration. Family members may petition for standing in a proceeding involving  
15 parental rights and responsibilities with respect to a child under certain circumstances.  
16 This bill also requires guardians ad litem in contested cases involving the best interest of  
17 a child to issue their written report on a standard form with check boxes for each  
18 mandatory and optional duty of the guardian ad litem and to describe the results with  
19 respect to the duties performed and to provide an explanation with respect to each duty  
20 that was not performed.
