3 further amended to read:

4 **1. Policy requirements.** A casualty insurance policy subject to this chapter may not
5 provide for subrogation or priority over the insured of payment for any hospital, nursing,
6 medical or surgical services or of any expenses paid or reimbursed under the medical
7 payments coverage in the policy in the event the insured is entitled to receive payment or
8 reimbursement from any other person as a result of legal action or claim, except as

13 to account for the pro rata share of the insured's attorney's fees incurred in obtaining

18 paid or reimbursed under the medical payments coverage in a policy must notify the
19 insured and any other person reasonably likely to be able to submit a claim; and

20 F. The provision prohibits an insurer from paying a claim for payment of any
21 hospital, nursing, medical or surgical services or of any expenses paid or reimbursed
22 under the medical payments coverage in a policy if an insured is entitled to coverage

28 **SUMMARY**

29 This bill amends the subrogation law related to medical payments coverage to require
30 a health care provider to notify the insured and any other person reasonably likely to be
31 able to submit a claim prior to submitting any claim for payment of any hospital, nursing,
32 medical or surgical services or of any expenses paid or reimbursed under the medical
33 payments coverage in a policy. The bill also prohibits an insurer from paying a claim for
34 payment of any hospital, nursing, medical or surgical services or of any expenses paid or
35 reimbursed under the medical payments coverage in a policy if an insured is entitled to
36 coverage under any other health insurance policy or contract and requires an insurer to
37 provide at least 14 days' notice to an insured before paying such a claim.

1 The bill also makes it clear that an insurer that violates any of the policy requirement
2 provisions is subject to enforcement and penalties under the unfair claims settlement
3 practices laws.
