(1) Title 25;

1 Part C implements the recommendations of the Right To Know Advisory Committee
2 relating to existing public records exceptions in the Maine Revised Statutes, Title 22 and
3 Titles 26 to 39-A.

4 Section 1 repeals the Community Right-to-Know Act, a program within the
5 Department of Health and Human Services intended to provide disclosure of information
6 about hazardous substances in the community that has never been implemented.

7 Section 2 makes clear that reports of final bureau action are public records, removing
8 the language in current law that gives the Director of the Bureau of Labor Standards the
9 discretion to release reports.

10 Section 3 clarifies that a report of the State Board of Arbitration and Conciliation in a
11 labor dispute must be released 15 days after its receipt by the Governor and Executive
12 Director of the Maine Labor Relations Board if the conciliation process is not successful.

13 Section 4 removes language authorizing the Secretary of State to adopt rules relating
14 to maintenance and use of data processing files concerning motor vehicles as the
15 confidentiality of personal information is already protected under federal law.

16 Section 5 repeals a provision of law relating to the Secretary of State's motor vehicle
17 information technology system because the confidentiality of the system is already
18 addressed in another provision of law.

19 Section 6 removes language that is addressed in another section of law.

20 Section 7 clarifies that it is the responsibility of the providers of telecommunications
21 relay services to keep relay service communications confidential.

22 Section 8 adds a cross-reference to the definition of "trade secret."

23 Section 9 removes language making mercury reduction plans for air emission sources
24 emitting mercury confidential.

25 Section 10 repeals a provision of law making hazardous air pollutant emissions
26 inventory information confidential, and section 11 corrects a cross-reference to that
27 provision.

28 Part D repeals the public records exceptions review schedule that was completed in
29 2014 and replaces it with a new review schedule. The Right To Know Advisory
30 Committee will review public records exceptions enacted after 2004 but before 2013 and
31 report its recommendations to the joint standing committee of the Legislature having
32 jurisdiction over judiciary matters over the course of 2 years, with the final review by the
33 joint standing committee completed no later than 2017. The advisory committee will
34 then begin to review all the public records exceptions codified in the statutes over a 12-
35 year period.
