of York.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 14 MRSA §6004-B** is enacted to read:

3 **§6004-B. Nonpayment of rent; payment to court**

4 If a complaint for forcible entry and detainer is based on nonpayment of rent, the
5 tenant shall pay, pursuant to the provisions of this section, to the court clerk the amount
6 alleged in the complaint as unpaid or, if the amount unpaid is contested, the amount
7 determined by the court and any rent accruing during the pendency of the action when
8 due, unless the tenant has raised the defense that the tenant has paid the rent in the
9 amount alleged by the complaint as unpaid.

10 **1. Date.** The tenant shall pay to the court clerk:

11 A. Unless the tenant contests the amount of accrued rent, the amount alleged in the
12 complaint on or before the date on which the tenant's answer to the complaint is due;
13 and

14 B. If the tenant contests the amount of accrued rent, the amount determined by the
15 court on the day that the court makes its determination.

16 The court may extend these time periods to allow for later payment for good cause
17 shown.

18 **2. Rent during pendency of action.** The court may order the tenant to pay to the
19 court clerk the rent that accrues during the pendency of the action.

20 **3. Account.** The court clerk shall deposit the amounts paid by a tenant in a separate
21 account and maintain records of the amounts paid.

22 **4. Contested amount.** If the tenant contests the amount of money to be paid to the
23 court clerk pursuant to subsection 1, the hearing concerning the amount is limited to only
24 the factual or legal issues concerning:

25 A. Whether the tenant has been properly credited by the landlord with all rental
26 payments made; and

27 B. What property constitutes rent under the rental agreement.

28 **5. Notice to tenant.** The court shall by order notify the tenant of the requirement
29 that rent be paid to the court clerk. The order must be issued immediately upon filing of
30 the tenant's initial pleading, motion or other filing.

31 **6. Counterclaim.** The filing of a counterclaim for money damages does not relieve
32 the tenant from the requirement that the tenant pay rent due to the court clerk pursuant to
33 subsection 1.

34 **7. Failure to pay.** Failure of the tenant to pay the rent to the court clerk pursuant to
35 court order issued under subsection 5 is deemed an absolute waiver of the tenant's
36 defenses to the action, and the landlord is entitled to an immediate default judgment
37 without further notice or hearing.
