1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. P&SL 1971, c. 45, §15**, as amended by P&SL 1991, c. 7, §§5 to 8, is  
3 further amended to read:

4 **Sec. 15. Determination of annual apportionable costs.** The fiscal year of the  
5 district is determined by the trustees and the trustees shall, prior to the first day of the 2nd  
6 month of each fiscal year following the acceptance of this Act, determine the total  
7 anticipated sums necessary to provide for the operation and maintenance of the district  
8 and its facilities for the year and adopt a budget for that year. The district trustees shall  
9 also determine the portion of the total sums to be raised for the fiscal year, the amounts to  
10 be apportioned to said towns and the Waterville Sewerage District.

11 To effect a transition to a different fiscal year, the district may adopt a budget,  
12 determine the portion of the total sums to be raised for that budget and the amounts to be  
13 apportioned for one or more fiscal years not longer than 18 months each.

14 Said total anticipated sums necessary for the operation and maintenance ~~shall~~ must be  
15 the total of sums required in any year for unfunded capital costs and financing costs plus  
16 costs of operation less funds on hand or in the judgment of the trustees to be received  
17 during said year from other than said towns and Waterville Sewerage District and  
18 available or to be available within said year to pay unfunded capital costs and financing  
19 costs or operating costs, as the case may be. As used in this Act the following terms ~~shall~~  
20 have the following meanings: Unfunded capital costs and financing costs for any year  
21 ~~shall~~ include:

22 1. Capital outlay items the cost of which is not to be paid from proceeds of bonds or  
23 notes, other than notes in anticipation of revenue, or paid from the proceeds of a  
24 government grant or other donation;

25 2. Interest due and payable in such year or indebtedness created or assumed by the  
26 district or expected to be created or assumed by the district, exclusive of interest on  
27 temporary notes in anticipation of revenue;

28 3. Principal due and payable in such year on indebtedness created or assumed by the  
29 district and not to be refunded and for the payment of which funds are not in the  
30 judgment of the trustees otherwise to be available; ~~and~~

31 4. Sinking fund payments; and

32 5. Capital reserve funds pursuant to section 15-A.

33 "Operating costs" or "costs of operations" for any year ~~shall~~ include:

34 1. The current expenses of operating, maintaining and repairing the district's  
35 facilities and properties, interest on notes issued in anticipation of revenue and all other  
36 expenses not otherwise specifically provided herein; and
