Representatives: CLARKE of Bath, CROCKETT of Bethel, CURTIS of Madison, ESPLING
of New Gloucester, GUERIN of Glenburn, OLSEN of Phippsburg, SANDERSON of Chelsea.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 4 MRSA §1060** is enacted to read:

3 **§1060. Videoconferencing**

4 **1. Videoconferencing.** Each court shall use videoconferencing technology to
5 conduct all civil and criminal court proceedings involving a prisoner committed to a
6 county or state correctional facility, except for a proceeding that requires the prisoner's
7 physical presence in the courtroom.

8 **2. Reimbursement of expenses.** Beginning July 1, 2012, annually the Department
9 of Corrections, State Board of Corrections shall determine what, if any, cost savings for
10 counties in the transportation of prisoners for court appearances resulted from subsection
11 1 for the previous 12 months. If the board determines a county has reduced prisoner
12 transportation costs due to the provisions of subsection 1, the board shall adjust the
13 county's budget under Title 30-A, section 710, subsection 4 to reimburse start-up and
14 ongoing court expenses for carrying out subsection 1 for the previous 12 months for all
15 courts to which the county would have transported a prisoner if videoconferencing had
16 not been used. The amount of reimbursement of court expenses under this subsection
17 may not exceed the amount of transportation cost savings for the reimbursing county.

18 **SUMMARY**

19 This bill requires the courts to use videoconferencing technology to conduct all civil
20 and criminal court proceedings involving a prisoner committed to a county or state
21 correctional facility, except for a proceeding that requires the prisoner's physical presence
22 in the courtroom. This bill also requires the Department of Corrections, State Board of
23 Corrections to adjust a county's budget to pay for expenses incurred by a court in using
24 videoconferencing for prisoner court proceedings from savings of the county in reduced
25 costs for transporting prisoners.
