Presented by Representative FITTS of Pittsfield.

## 1 Be it enacted by the People of the State of Maine as follows:

12

Sec. 1. 10 MRSA §1415-G, sub-§1, as amended by PL 2005, c. 350, §11, is
further amended to read:

4 1. Residential construction, remodeling and renovation. Except as provided in this section, during the construction, remodeling or renovation of a multifamily 5 residential structure, a person may not install electric space heating equipment as the 6 7 primary heating system if that construction, remodeling or renovation is funded in whole or in part by public funds, guarantees or bond proceeds. For purposes of this section, 8 9 "multifamily residential structure" means a residential structure with more than one dwelling unit and "electric space heating equipment" does not include electric thermal 10 storage space heating equipment. 11

## SUMMARY

13 Under current law, electric space heating equipment may not be installed as the 14 primary heating system in construction that is funded using public funds. This bill 15 specifically exempts electric thermal storage space heating equipment from this 16 prohibition.
