8 **SUMMARY**

9 This bill enacts recommendations of the study of the allocations of the Fund for a
10 Healthy Maine conducted pursuant to Resolve 2015, chapter 47. The bill requires the
11 Department of Health and Human Services to submit an annual report by January 1st to
12 the joint standing committee of the Legislature having jurisdiction over appropriations
13 and financial affairs and the joint standing committee of the Legislature having
14 jurisdiction over health and human services matters on the Fund for a Healthy Maine.
15 The report must include annual expenditures in all programs, progress made toward
16 improving the health status of persons in the State using the fund, a description of how
17 funds were targeted to prevention and health-related purposes outlined in statute and
18 information on any audits in the previous year. The requirement for the Department of
19 Administrative and Financial Services to provide an annual report regarding the
20 expenditure of the Fund for a Healthy Maine on prevention and health-related purposes is
21 removed from the statute.

22 The bill also repeals several provisions of law requiring reports by the Department of
23 Health and Human Services that are no longer necessary.
