

STATE OF MAINE

**IN THE YEAR OF OUR LORD
TWO THOUSAND AND ELEVEN**

**JOINT RESOLUTION MEMORIALIZING THE
PRESIDENT OF THE UNITED STATES, THE
UNITED STATES CONGRESS AND THE UNITED
STATES TRADE REPRESENTATIVE REGARDING
STATES' RIGHTS IN FUTURE INTERNATIONAL
TRADE POLICY**

WE, your Memorialists, the Members of the One Hundred and Twenty-fifth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States, the United States Congress and the United States Trade Representative as follows:

WHEREAS, Maine strongly supports international trade when fair rules of trade are in place and seeks to be an active participant in the global economy; and

WHEREAS, Maine seeks to maximize the benefits and minimize any negative effects of international trade; and

WHEREAS, existing trade agreements have effects that extend significantly beyond the bounds of traditional trade matters, such as tariffs and quotas, and that can undermine Maine's constitutionally guaranteed authority to protect the public health, safety and welfare and its regulatory authority; and

WHEREAS, a succession of federal trade negotiators from both political parties over the years has failed to operate in a transparent manner and has failed to meaningfully consult with states on the far-reaching effect of trade agreements on state and local laws, even when obligating the states to the terms of these agreements; and

WHEREAS, the current process of consultation with states by the Federal Government on trade policy fails to provide a way for states to meaningfully participate in the development of trade policy, despite the fact that trade rules could undermine state sovereignty; and

WHEREAS, under current trade rules, states have not had channels for meaningful communication with the United States Trade Representative, as both the Intergovernmental Policy Advisory Committee on Trade and the state point of contact system have proven insufficient to allow input from states and states do not always seem to be considered as a partner in government; and

WHEREAS, the President of the United States, the United States Trade Representative and the Maine Congressional Delegation will have a role in shaping future trade policy legislation; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that future trade policy include reforms to improve the process of consultation between the Federal Government and the states; and be it further

RESOLVED: That We, your Memorialists, respectfully urge and request that the President of the United States, the United States Congress and the United States Trade Representative seek a meaningful consultation system that increases transparency, promotes information sharing, allows for timely and frequent consultations, provides state-level trade data analysis, provides legal analysis for states on the effect of trade on state laws, increases public participation and acknowledges and respects each state's sovereignty; and be it further

RESOLVED: That We, your Memorialists, respectfully urge and request that the Federal Government reform the system of consultation with states on trade policy to more clearly communicate and allow for states' input into trade negotiations by allowing a state to give informed consent or to opt out if bound by nontariff provisions in a trade agreement and by providing that states are not bound to these provisions without consent from the states' legislatures; to form a new nonpartisan federal-state international trade policy commission to keep states informed about ongoing negotiations and information; and to provide that the United States Trade Representative communicate with states in better ways than the insufficient current state point of contact system; and be it further

RESOLVED: That We, your Memorialists, respectfully urge and request that state laws that are subject to trade agreement provisions regarding investment, procurement or services be covered by a positive list approach, allowing states to set and adjust their commitments and providing that if a state law is not specified by a state as subject to those provisions, it cannot be challenged by a foreign company or country as an unfair barrier to trade; and be it further

RESOLVED: That We, your Memorialists, respectfully urge and request that the United States Congress fund a center on trade and federalism to conduct legal and economic policy analysis on the effect of trade and to monitor the effectiveness of trade adjustment assistance and establish funding for the Department of Commerce to produce state-level service sector export data on an annual basis, as well as reinstate funding for the Bureau of Economic Analysis's state-level foreign direct investment research, both of which are critical to state trade offices and policy makers in setting priorities for market selection and economic impact studies; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable Barack H. Obama, President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, to the United States Trade Representative Ambassador Ron Kirk and to each Member of the Maine Congressional Delegation.
