21 This bill changes the Maine Uniform Probate Code, taking effect July 1, 2019, in the
22 provision governing professional evaluation in an adult guardianship matter to replace the
23 term "licensed physician or psychologist" with the term "medical practitioner," the
24 definition of which is added to the provision by the bill and is the same as under the
25 Maine Revised Statutes, Title 34-B, section 3801, which provides definitions for
26 provisions governing hospitalization by psychiatric hospitals.
