1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 19-A MRSA §1932, sub-§4**, as enacted by PL 2015, c. 296, Pt. A, §1 and  
3 affected by Pt. D, §1, is amended to read:

4 **4. Reasonable expenses.** A Except as provided in section 1939, a gestational carrier  
5 agreement may provide for payment of reasonable expenses, which, if paid to a  
6 prospective gestational carrier, must be negotiated in good faith between the parties.

7 **Sec. 2. 19-A MRSA §1939** is enacted to read:

8 **§1939. Liability for payment of gestational carrier and child's medical expenses**

9 **1. Joint and several liability for medical expenses.** The gestational carrier and  
10 each intended parent are jointly and severally liable for the medical expenses of the  
11 gestational carrier and, notwithstanding section 1932, subsection 3, paragraph J,  
12 subparagraph (4), division (b) and section 1933, of the resulting child. As used in this  
13 section, "medical expenses" means all medical care provided for assisted reproduction,  
14 prenatal care, labor and delivery and 60 days of postpartum medical care related to the  
15 pregnancy and the health of the resulting child.

16 **2. Effect of conflicting terms or breach of agreement.** If a term of a gestational  
17 carrier agreement is in conflict with the requirements of subsection 1, that term of the  
18 gestational carrier agreement is void and unenforceable. The breach of a gestational  
19 carrier agreement by a party to the agreement does not relieve the gestational carrier or an  
20 intended parent from the liability for medical expenses imposed pursuant to subsection 1.

21 **3. Effect on insurance coverage.** This section is not intended to supplant any  
22 insurance coverage that is otherwise available to the gestational carrier or an intended  
23 parent for the coverage of medical expenses.

24 **SUMMARY**

25 Under the Maine Parentage Act, immediately upon the birth of a child that is the  
26 result of a gestational carrier agreement, all parental rights and responsibilities vest  
27 exclusively in the intended parent or parents.

28 This bill specifies that medical costs of the gestational carrier and the child, including  
29 the costs related to assisted reproduction and the pregnancy, including labor and delivery,  
30 and postpartum pregnancy-related medical care for 60 days following the birth, are  
31 jointly and severally the responsibility of the gestational carrier and each intended parent.  
32 The bill prohibits the waiver of this responsibility and specifies that a breach of the  
33 gestational carrier agreement does not change the status of the responsibility. Finally,  
34 this bill specifies that these provisions are not intended to relieve insurance carriers of  
35 their obligation to provide coverage for their insureds.
