29 **SUMMARY**

30 Current law prohibits visual sexual aggression against a child, which is either a Class
31 C crime if the child has not attained 12 years of age or a Class D crime if the child has not
32 attained 14 years of age.

33 This bill amends that law to provide that visual sexual aggression against a child who
34 has not attained 14 years of age is a Class C crime and retains as an element of the crime
35 the motivation of the actor committing the crime for the purpose of causing affront or
36 alarm when the actor exposes the actor's genitals to another person or causes the other
37 person to expose that person's genitals to the actor.
