7 lottery tickets over the Internet as soon as possible in order to secure the State's ability to

9           **Whereas,** in the judgment of the Legislature, these facts create an emergency within

13           **Be it enacted by the People of the State of Maine as follows:**

14           **Sec. 1. 8 MRSA §372, sub-§2, ¶I,** as amended by PL 2003, c. 673, Pt. MM, §1,

35 means a game of chance in which a player selects numbers that are compared to those

37 if some or all of the numbers chosen by the player match some or all of the numbers  
38 drawn at the corresponding random number drawing.

1           **Sec. 4. 8 MRSA §379**, as amended by PL 1991, c. 683, §2, is further amended by

5 as defined in section 372, subsection 2, paragraph K.

6           **Sec. 5. Director of Alcoholic Beverages and Lottery Operations to**

13 pursuant to this section must include the following:

15 in this State and are at least 18 years of age;

16           2. A provision to allow a person to have that person's name placed on a list that  
17 prohibits a person on that list from playing any lottery draw game when the tickets or  
18 shares were purchased over the Internet;

19           3. Suggestions for a daily purchase limit for lottery draw games;

20           4. Consideration of the role of existing lottery agents in the administration of the  
21 system with the goal of minimizing, to the greatest extent possible, any negative financial  
22 effects on lottery agents;

23           5. An estimate of the cost to implement the sale of tickets or shares for lottery draw  
24 games and a determination of whether implementation of a program to sell tickets or  
25 shares for lottery draw games would require a bidding process for contracts to facilitate  
26 sales of tickets or shares for lottery draw games over the Internet;

27           6. Consideration and analysis of the experience of other states that have implemented  
28 the sale of tickets or shares for lottery draw games over the Internet; and

29           7. Consideration and analysis of whether lottery draw games conducted over the  
30 Internet may affect the Tri-state Lotto Compact and what changes would be necessary to  
31 that compact.

32           The director shall submit the proposal, including recommendations for legislation to  
33 implement the sale of tickets or shares for lottery draw games over the Internet, to the  
34 joint standing committee of the Legislature having jurisdiction over lottery matters no  
35 later than December 15, 2012. The joint standing committee may report out a bill  
36 implementing the recommendations of the director.

37           **Emergency clause.** In view of the emergency cited in the preamble, this  
38 legislation takes effect when approved.
