26 In addition to the fees established in section 2450, a surcharge of ~~4¢~~ 6¢ per square foot
27 of occupied space must be levied on the existing fee schedule for new construction,
28 reconstruction, repairs, renovations or new use for the sole purpose of funding the activities
29 of the Technical Building Codes and Standards Board with respect to the Maine Uniform
30 Building and Energy Code, established pursuant to Title 10, chapter 1103, the activities of
31 the Division of Building Codes and Standards under chapter 314 and the activities of the
32 Maine Office of Community Affairs under Title 30-A, section 4451, subsection 3-A, except
33 that the fee for review of a plan for the renovation of a public school, including the fee
34 established under section 2450, may not exceed \$450. Revenue collected from this
35 surcharge must be deposited into the Uniform Building Codes and Standards Fund
36 established by section 2374.

37 **Sec. 6. 30-A MRSA §4451, sub-§3**, as amended by PL 2025, c. 388, Pt. D, §38, is
38 further amended to read:

39 **3. Training and certification of code enforcement officers.** In cooperation with
40 code enforcement officer professional associations, the Maine Community College System,
41 the Department of Environmental Protection and the Department of Health and Human

1 Services, except as otherwise provided in paragraph H, the Maine Office of Community
2 Affairs shall establish a continuing education program for individuals engaged in code
3 enforcement. This program must provide training in the technical and legal aspects of code
4 enforcement necessary for certification. The training program must include training to
5 provide familiarity with the laws and ordinances related to the structure and practice of the
6 municipal code enforcement office, municipal planning board and appeals board
7 procedures, application review and permitting procedures, inspection procedures and code
8 enforcement techniques, including enforcement of codes regulating industrialized housing.
9 For the purposes of this subsection, "industrialized housing" means a structure designed to
10 be used for residential housing that consists of or is constructed using one or more modular
11 buildings, modular components or panelized systems that is wholly or in substantial part
12 fabricated or assembled in a manufacturing plant for installation, or assembly and
13 installation, on a separate building site and has been manufactured in such a manner that
14 all parts or processes cannot be inspected at the installation site without disassembly of,
15 damage to or destruction of the structure.

16 H. If funding is not available to support the training and certification program
17 authorized under this subsection, the Maine Office of Community Affairs shall
18 discontinue training and certification activities related to laws and ordinances
19 referenced in subsection 2-A, paragraphs A and B and shall adopt by routine technical
20 rules under Title 5, chapter 375, subchapter 2-A a program to register code enforcement
21 officers that meet training and education qualifications. The Maine Office of
22 Community Affairs shall publish the list of persons registered for code enforcement
23 who have submitted evidence of required qualifications. Persons registered under this
24 paragraph must meet the requirements for training and certification under this
25 subchapter. The Maine Office of Community Affairs shall consult with the
26 Department of Health and Human Services for the purposes of carrying out training
27 and certification activities related to laws and ordinances referenced in subsection 2-A,
28 paragraphs C and D. Within one month of discontinuation of training and certification
29 under this paragraph, the Maine Office of Community Affairs shall report to the joint
30 standing committee of the Legislature having jurisdiction over appropriations and
31 financial affairs and the joint standing committee of the Legislature having jurisdiction
32 over state and local government matters a recommendation for funding the training and
33 certification program or for further changes in program requirements.

34 **Sec. 7. Regionalized code enforcement pilot project.** The Maine Office of
35 Community Affairs, through the Housing Opportunity Program established in the Maine
36 Revised Statutes, Title 5, section 3241, shall conduct a 3-year pilot project to promote,
37 incentivize and support the adoption of regionalized approaches to code enforcement by
38 municipalities. The Maine Office of Community Affairs shall administer the pilot project
39 and establish guidelines for the administration of the pilot project as follows.

40 1. The pilot project must start no later than January 1, 2027 and continue for no more
41 than 3 years.

42 2. The Maine Office of Community Affairs shall conduct an ongoing evaluation of the
43 pilot project to determine the efficacy and effect of adopting a regionalized approach to
44 code enforcement for participating municipalities.

3. No later than January 15th of each year for the duration of the pilot project, and no later than 60 days following the end of the pilot project, the Maine Office of Community Affairs shall submit a report on the status of the pilot project to the joint standing committee of the Legislature having jurisdiction over building code matters. The final report must include, but is not limited to, the total number of participating municipalities; the reported effects of adopting a regionalized approach to code enforcement; any barriers to the success of the pilot project; and recommendations, including any suggested legislation, for adopting a regionalized approach to code enforcement.

Upon receipt of any report required by this section, the joint standing committee of the Legislature having jurisdiction over building code matters may report out legislation based on the report to the legislative session in which the report is received.

Sec. 8. Transfer from Maine Budget Stabilization Fund; Housing Opportunity Program, Other Special Revenue Funds account. Notwithstanding any provision of law to the contrary, on or before June 30, 2027, the State Controller shall transfer \$1,000,000 from the Maine Budget Stabilization Fund within the Department of Administrative and Financial Services to the Housing Opportunity Program, Other Special Revenue Funds account for a pilot project to provide regionalized building code enforcement.

30 **SUMMARY**

31 This bill is reported out by the Joint Standing Committee on Housing and Economic
32 Development pursuant to Resolve 2025, chapter 64. The bill implements the
33 recommendations of the working group to address regulatory barriers to housing
34 construction by:

35 1. Adding the International Code Council and Modular Building Institute 1200-2021
36 Standard for Off-site Construction: Planning, Design, Fabrication and Assembly to the list
37 of codes that make up the Maine Uniform Building and Energy Code;

38 2. Establishing consistency for when updates to the Maine Uniform Building and
39 Energy Code and other similar codes go into effect;

40 3. Amending the training requirements for code enforcement officers to include
41 training on industrialized housing;

1 4. Directing the Maine Office of Community Affairs, through the Housing Opportunity
2 Program, to conduct a 3-year pilot project to promote, incentivize and support the adoption
3 of regionalized approaches to code enforcement by municipalities; and

4 5. Increasing from 4¢ to 6¢ per square foot the surcharge on the plan review fee. The
5 surcharge is deposited into the Uniform Building Codes and Standards Fund.

6 The joint standing committee has not taken a position on the substance of this bill. By
7 reporting this bill out, the committee is not suggesting and does not intend to suggest that
8 it agrees or disagrees with any aspect of this bill. The committee is reporting the bill out
9 for the sole purpose of having a bill printed that can be referred to the committee for an
10 appropriate public hearing and subsequent processing in the normal course. The committee
11 is taking this action to ensure clarity and transparency in the legislative review of the
12 proposals contained in the bill.
