
Amend the bill by striking out the title and substituting the following:

"An Act To Provide an Alternative to the Matching Funds Provisions of the Maine Clean Election Act"

Amend the bill by striking out everything after the enacting clause and before the emergency clause and inserting the following:

'Sec. 1. 21-A MRSA §1017, sub-§3-B, as corrected by RR 2009, c. 2, §46, is repealed.

Sec. 2. 21-A MRSA §1019-A, sub-§4, ¶A, as enacted by PL 2009, c. 524, §7, is amended to read:

A. A report required by this subsection must be filed with the commission according to a reporting schedule that the commission shall establish by rule that takes into consideration existing campaign finance reporting requirements and matching fund provisions under chapter 14. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 3. 21-A MRSA §1020-A, sub-§4-A, as amended by PL 2007, c. 443, Pt. A, §22, is further amended to read:

4-A. Basis for penalties. The penalty for late filing of a report required under this subchapter, except for accelerated campaign finance reports required pursuant to section 1017, subsection 3-B, is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

A. For the first violation, 1%;
B. For the 2nd violation, 3%; and
C. For the 3rd and subsequent violations, 5%.

Any penalty of less than $10 is waived.
Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

A registration or report may be provisionally filed by transmission of a facsimile copy of the duly executed report to the commission, as long as the facsimile copy is filed by the applicable deadline and an original of the same report is received by the commission within 5 calendar days thereafter.

The penalty for late filing of an accelerated campaign finance report as required in section 1017, subsection 3-B may be up to but no more than 3 times the amount by which the contributions received or expenditures obligated or made by the candidate exceed the applicable Maine Clean Election Fund disbursement amount, per day of violation. The commission shall make a finding of fact establishing when the report was due prior to imposing a penalty under this subsection. A penalty for failure to file an accelerated campaign finance report must be made payable to the Maine Clean Election Fund. In assessing a penalty for failure to file an accelerated campaign finance report, the commission shall consider the existence of mitigating circumstances. For the purposes of this subsection, "mitigating circumstances" has the same meaning as in subsection 2.

The commission shall distribute a smaller payment to a candidate who does not have an opponent in the election. In making this determination, the commission may take into consideration any relevant information, including but not limited to:

For uncontested gubernatorial primary elections the amount of revenues distributed is $200,000. For contested and uncontested gubernatorial general elections, the amount of revenues distributed is $600,000 per candidate in the general election.

A candidate or another interested person may appeal the determination. The commission shall establish an appeals process for appeals made pursuant to this paragraph that is similar to the process under subsection 14.

F. The commission may make the first supplemental payment after September 1st upon request of the candidate. Sec. 19. 21-A MRSA §1125, sub-§13-A, as amended by PL 2011, c. 389, §58
and affected by §62, is further amended to read:

13-A. Distributions not to exceed amount in fund. The commission may not
distribute revenues to certified candidates in excess of the total amount of money
deposited in the fund as set forth in section 1124. Notwithstanding any other provisions
of this chapter, if the commission determines that the revenues in the fund are insufficient
to meet distributions under subsection 8-A or § 9-A, the commission may permit certified
candidates to accept and spend contributions, reduced by any seed money contributions,
aggregating no more than the applicable contribution limits established by the
commission pursuant to section 1015, up to the applicable amounts set forth in
subsections 8-A and 9-A according to rules adopted by the commission.

This subsection takes effect September 1, 2011.

Sec. 20. 21-A MRSA §1126, as amended by PL 2001, c. 465, §7, is further
amended to read:

§1126. Commission to adopt rules

The commission shall adopt rules to ensure effective administration of this chapter.
These rules must include but must not be limited to procedures for obtaining qualifying

supplemental payments, circumstances involving special elections, vacancies, recounts,
withdrawals or replacements, collection of revenues for the fund, distribution of fund
revenue to certified candidates, return of unspent fund disbursements, disposition of

violates any provision of this chapter or rules of the commission adopted pursuant to
section 1126 is subject to a fine not to exceed $10,000 per violation payable to the fund.
The commission may assess a fine of up to $10,000 for a violation of the reporting
requirements of sections 1017 and 1019-B if it determines that the failure to file a timely
and accurate report resulted in the late payment of matching funds. In addition to any
fine, for good cause shown, a candidate, treasurer, consultant or other agent of the
candidate or the political committee authorized by the candidate pursuant to section
1013-A, subsection 1 found in violation of this chapter or rules of the commission may be
required to return to the fund all amounts distributed to the candidate from the fund or
any funds not used for campaign-related purposes. If the commission makes a
determination that a violation of this chapter or rules of the commission has occurred, the
commission shall assess a fine or transmit the finding to the Attorney General for
prosecution. A final determination by the commission may be appealed to Superior Court
in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil
Procedure, Rule 80C. Fines assessed or orders for return of funds issued by the
commission pursuant to this subsection that are not paid in full within 30 days after
issuance of a notice of the final determination may be enforced in accordance with
section 1004-B. Fines paid under this section must be deposited in the fund. In
determining whether or not a candidate is in violation of the expenditure limits of this
chapter, the commission may consider as a mitigating factor any circumstances out of the
candidate's control.

Sec. 22. Resolve 2011, c. 89 is repealed.

Notwithstanding the Maine Revised Statutes, Title 21-A, section 1125, subsection 8-A,

SUMMARY

This amendment, like the bill, strikes provisions governing and references to matching funds in the Maine Clean Election Act and repeals campaign finance reporting requirements directly related to the qualification for and distribution of matching funds. Unlike the bill, this amendment establishes an alternative that provides legislative candidates in contested races the opportunity to qualify for supplemental funds to support their campaigns. Under this amendment, a contested candidate certified to participate in the Maine Clean Election Act is able to qualify for up to 2 additional distributions: the first distribution would be made after September 1st of the election year upon request of the candidate and the 2nd after October 1st upon request of the candidate. In order to qualify for both supplemental payments, a candidate for the House of Representatives needs to collect an additional 60 qualifying contributions by June 30th of the election year. Similarly, a candidate for the Senate is required to collect 200 additional qualifying contributions to receive both supplemental distributions. The amendment doubles the
amount of seed money contributions legislative candidates may receive. The amendment also adds an appropriations and allocations section.
