For purposes of this chapter, "sex offender" has the same meaning as "offender" in Title 34-A, section 11273, subsection 10.

COMMITTEE AMENDMENT

1 **§1402. Membership; terms; vacancies**

2 **1. Composition; qualifications.** The commission is composed of 7 members,
3 appointed by the Attorney General. The members may be qualified by reason of their

5 corrections, sex offender law and the prosecution or defense of sex offender crimes.

6 **2. Terms.** Members of the commission serve for a term of 2 years and may be
7 reappointed. Members continue to serve until their replacements are designated.

8 **3. Vacancy.** In the event of the death or resignation of a member, the Attorney
9 General shall appoint a member to complete the unexpired term.

10 **§1403. Duties; powers**

11 **1. Development of risk assessment.** The commission shall:

12 A. Develop a plausible risk assessment method for reviewing and analyzing
13 precursors to the commission of a sex offense, victim populations of sex offenders,
14 living conditions and environment of a registrant or a sex offender and other factors
15 predisposing a person to become a registrant or a sex offender and for the ongoing
16 purpose of identifying risk factors;

17 B. Continue to evaluate the plausibility, implementation and application of sex
18 offender risk assessments; and

19 C. Consult with experts in the field of sex offender matters, including but not limited
20 to state or federal agencies, courts, correctional facilities, organizations whose affairs
21 pertain to sex offender matters and other interested parties as the commission
22 determines necessary.

23 **2. Recommendations.** The commission may submit to the Legislature, at the start
24 of each legislative session, recommendations regarding a sex offender risk assessment
25 method. The commission may also make recommendations regarding sex offender risk
26 assessment to agencies of the executive branch, the judicial branch and the Legislature or
27 to any other entity the commission determines appropriate.

28 For purposes of this section, "registrant" has the same meaning as in Title 34-A,
29 section 11273, subsection 11.

30 **§1404. Organization; meetings**

31 The Attorney General shall notify all members of the commission of the time and
32 place of the first meeting of the commission. At that meeting, the commission shall elect
33 a chair, vice-chair and secretary-treasurer and adopt provisions regarding the
34 administration of the commission and its affairs. The commission may meet as frequently
35 as the commission determines necessary.

36 **§1405. Expenses**

5 **§11282. Duty of offender to register**

6 **1. Notification by court, department, bureau or law enforcement agency.** An
7 offender has a duty to register under this chapter after notification has been given to the
8 offender by a court of jurisdiction, the department, the bureau or a law enforcement
9 agency. The court shall notify the offender at the time of sentence of the duty to register
10 pursuant to this chapter. Notification of the duty to register under this chapter also may
11 be given to the offender at any time after the imposition of sentence.

12 At any time, the bureau may correct the term of a registration erroneously assigned to an
13 offender or registrant. In such instances, the bureau shall notify the offender or registrant,
14 the district attorney and the court in the jurisdiction where the conviction occurred and
15 the law enforcement agency having jurisdiction where the offender or registrant is
16 domiciled, resides, is employed or attends college or school, if applicable.

17 **2. When duty to register must be exercised.** Following notification by a court, the
18 department, the bureau or a law enforcement agency under subsection 1, an offender shall
19 register as follows.

20 A. If the offender is sentenced to a wholly suspended sentence with probation or
21 administrative release, or to a punishment alternative not involving imprisonment, the
22 duty to register is triggered at the time the person commences in actual execution of
23 the wholly suspended sentence or at the time of sentence imposition when no
24 punishment alternative involving imprisonment is imposed, unless the court orders a
25 stay of execution, in which event the duty is triggered by the termination of the stay.

26 B. If the offender is sentenced to a straight term of imprisonment or to a split
27 sentence, the duty to register is triggered by discharge or conditional release.

28 C. If the offender is committed under Title 15, section 103, the duty to register is
29 triggered by discharge or conditional release under Title 15, section 104-A.

31 within 3 days after having received notice of that duty from a court, the department,
32 the bureau or a law enforcement agency.

33 E. Proof that the name and date of birth of the person notified of the duty to register
34 pursuant to this chapter are the same as those of a person who has been found not
35 guilty by reason of insanity or convicted of an offense requiring registration pursuant
36 to this chapter gives rise to a permissible inference under the Maine Rules of
37 Evidence, Rule 303 that the person notified of the duty to register is the same person
38 as that person convicted of the offense requiring registration.

39 **3. Duty to notify law enforcement agency.** An offender shall notify the law
40 enforcement agency having jurisdiction in those areas where the offender is domiciled,
41 resides, works or attends school within 24 hours of becoming a domiciliary or a resident
42 or beginning work or attending school. If the location is a municipality with an organized
43 municipal police department, the law enforcement agency having jurisdiction is the

1 municipal police department. If the location is a school having an organized police
2 department, the law enforcement agency having jurisdiction is the campus police
3 department. If the location is neither a municipality nor a school with an organized police
4 department, the law enforcement agency having jurisdiction is the sheriff's department.

5 **4. Responsibility of ensuring initial registration.** The department, the county jail
6 or the state mental health institute that has custody of an offender shall inform the
7 offender, prior to discharge or conditional release, of the duty to register. If an offender
8 does not serve a period of institutional confinement, the court shall inform the offender at
9 the time of sentencing of the duty to register. The department, county jail, state mental
10 health institute or court shall:

11 A. Inform the offender of the duty to register and obtain the information required for
12 the initial registration;

13 B. Inform the offender of the requirement to notify the law enforcement agency
14 having jurisdiction pursuant to subsection 3;

15 C. Inform the offender that if the offender changes domicile or changes residence,
16 place of employment or college or school being attended, the offender shall give the
17 new address to the bureau in writing within 3 days and shall notify the law
18 enforcement agency having jurisdiction within 24 hours;

19 D. Inform the offender that if that offender changes domicile to another jurisdiction,
20 the offender shall register the new address with the bureau and if the new jurisdiction
21 has a registration requirement, the offender shall register with a designated law
22 enforcement agency in the new state not later than 3 days after establishing domicile
23 in the new state;

24 E. Inform the offender that if that offender has part-time or full-time employment in
25 another state, with or without compensation, for more than 14 consecutive days or for
26 an aggregate period exceeding 30 days in a calendar year or if that offender enrolls in
27 any type of school in another state on a part-time or full-time basis, the offender shall
28 give the bureau the offender's place of employment or school to be attended in
29 writing within 3 days after beginning work or attending school and if the other state
30 has a registration requirement, shall register with the designated law enforcement
31 agency in the other state;

32 F. Obtain fingerprints and a current photograph of the offender. The court may order
33 the offender to submit to the taking of fingerprints and a photograph at a specified
34 law enforcement agency within 3 days if the fingerprints and photograph have not
35 already been obtained in connection with the offense that necessitates registration;
36 and

37 G. Enforce the requirement that the offender read and sign a form provided by the
38 bureau that states that the duty of the offender to register under this section has been
39 explained.

40 **5. Transfer of initial registration information to bureau and FBI.** The
41 department, county jail, state mental health institute or court within 3 days of receipt of
42 the information described in subsection 4 shall forward the information to the bureau. If
43 the court orders the offender to submit to the taking of fingerprints and a photograph at a

1 specified law enforcement agency, the law enforcement agency shall submit the
2 fingerprints and photograph to the bureau within 3 days. The bureau shall immediately
3 enter the information into the registration system, notify the law enforcement agencies
4 having jurisdiction where the offender expects to be domiciled and reside and transmit
5 the information to the FBI for inclusion in the national FBI sex offender database.

6 **6. Verification.** During the period a registrant is required to register, the bureau
7 shall require the registrant to verify all registration information. The following provisions
8 govern the verification of registration information.

9 A. At least 10 days prior to the required verification date, the bureau shall mail a
10 nonforwardable verification form to the last reported mailing address of the
11 registrant. The verification form is deemed received 3 days after mailing unless
12 returned by postal authorities.

13 B. The registrant shall bring the completed verification form and a current
14 photograph of the registrant to the law enforcement agency having jurisdiction within
15 5 days of receipt of the form.

16 C. The law enforcement agency having jurisdiction shall verify the registrant's
17 identity, have the registrant sign the verification form, take the registrant's
18 fingerprints, complete the law enforcement portion of the verification form and
19 immediately forward the fingerprints, photograph and form to the bureau.

20 **7. Frequency of verification.** The frequency of in-person verification of
21 registration information is dependent upon the registrant's tier classification as follows.

22 A. A Tier III registrant shall register for the duration of the registrant's life and shall
23 verify registration information every 90 days after the registrant's initial registration
24 date.

25 B. A Tier II registrant shall register for 25 years and shall verify registration
26 information every 180 days after the registrant's initial registration date.

27 C. A Tier I registrant shall register for 10 years and shall verify registration
28 information annually after the registrant's initial registration date.

29 **8. Change of domicile, residence, place of employment or college or school being**
30 **attended.** An offender or registrant shall notify the bureau in writing of a change of
31 residence, domicile, place of employment or college or school being attended within 3
32 days and shall notify the law enforcement agency having jurisdiction within 24 hours
33 after changing that domicile, residence, place of employment or college or school being
34 attended.

35 A. If the offender or registrant establishes a new domicile, residence, place of
36 employment or college or school being attended in the State, the bureau shall notify,

39 offense requiring registration.

1 **§11289. Certification by record custodian**

SUMMARY

This amendment makes the following changes to the bill:

1. It changes the effective date of the application of new registration and notification changes from October 15, 2011 to January 1, 2013;

2. It removes provisions dealing with risk assessment and establishes an ongoing Sex Offender Risk Assessment Advisory Commission to conduct an ongoing study of methods to predict the risk of recidivism by sex offenders;

3. It removes the offense classification method in the bill, which listed each offense specifically under each tier level. This amendment replaces that method with one based on the classification of the crime. In general, Class E and Class D crimes are Tier I offenses, Class C crimes are Tier II offenses and Class B and Class A crimes are Tier III offenses;

4. It removes the section of the bill regarding exceptions to the duty to register;

5. It changes the time a registrant has to notify the Department of Public Safety of a change of residence, place of employment or college or school being attended from 5 days to 3 days;

6. It adds telephone numbers, Internet identifiers and driver's license, passport and immigration documents and vehicle information to the list of information the Department of Public Safety must collect from sex offender registrants for the department's registry database;
