## 7 SUMMARY

8 This amendment makes the following changes to the bill.

9 1. It removes the provision of the bill directing the Adjutant General to request that  
10 the United States National Guard Bureau, Office of Complex Investigations conduct a  
11 review of the manner in which reports of sexual assault are investigated, prosecuted and  
12 adjudicated by the Maine National Guard and instead requires the Adjutant General to  
13 submit a copy of any report prepared by the Office of Complex Investigations related to  
14 sexual assault prevention and response, sexual assault investigations and sexual harassment  
15 and equal opportunity programs to the joint standing committee of the Legislature having  
16 jurisdiction over veterans affairs by February 15, 2023.

17 2. It directs the Attorney General to review the manner in which law enforcement  
18 agencies and prosecutors within the State investigated and prosecuted allegations of sexual  
19 assault or the crime of harassment, as defined in the Maine Revised Statutes, Title 17-A,  
20 section 506-A, by members of the Maine National Guard against other members of the  
21 Maine National Guard during the 5-year period ending on March 31, 2022 and to submit a  
22 report to the joint standing committee of the Legislature having jurisdiction over veterans  
23 affairs summarizing the results of the review by February 15, 2023. The committee may  
24 report out legislation regarding the subject matter of the report to the 131st Legislature in  
25 2023.

26 3. It replaces the provision of the bill requiring the Adjutant General to appoint to the  
27 Maine Commission on Domestic and Sexual Abuse a member of the Maine National Guard  
28 with experience in sexual assault response with a provision requiring the Governor to  
29 appoint to the commission a member of the military community with experience in sexual  
30 assault response. It also reduces from 4 to 3 the number of at-large members appointed by  
31 the Governor to serve on the commission, but provides that all currently appointed  
32 commission members may continue to serve as members of the commission for the  
33 remainder of their terms of appointment.

34 4. It provides that a cease harassment notice issued to a member of the Maine National  
35 Guard by a commanding officer may, to the same extent as a cease harassment notice issued  
36 by a law enforcement officer, satisfy the requirements for initiating a court proceeding for  
37 protection from harassment.

38 5. It requires the Adjutant General to provide current and former members of the Maine  
39 National Guard who were victims of sexual assault or sexual harassment while members  
40 of the Maine National Guard with financial assistance to cover the expenses of traveling to  
41 and from and participating in administrative or Maine Code of Military Justice proceedings  
42 related to the sexual assault or sexual harassment. Under the bill, this financial assistance  
43 would have also been provided to cover the expenses of traveling to and from and

1 participating in state criminal or civil court proceedings related to the sexual assault or  
2 sexual harassment.

3 6. It removes the provisions of the bill that require the Adjutant General to enter into  
4 a cooperative agreement with a statewide coalition against sexual assault.

5 7. It removes the provisions of the bill establishing the Advisory Council on Sexual  
6 Trauma in the Maine National Guard and requires the Adjutant General to submit by  
7 February 15, 2023 to the joint standing committee of the Legislature having jurisdiction  
8 over veterans affairs a copy of any report submitted to the Governor by the Advisory  
9 Council on Military Sexual Trauma established by the Governor in Executive Order 1 FY  
10 21/22.

11 8. It adds the crime of harassment, as defined in the Maine Revised Statutes, Title  
12 17-A, section 506-A as a military offense for which discipline may be imposed under the  
13 Maine Code of Military Justice.
