SUMMARY

37 This amendment replaces the bill. The amendment repeals the provision authorizing
38 a multiple-employer welfare arrangement based on geographic association and removes
39 cross-references to that provision. The amendment authorizes a multiple-employer

1 welfare arrangement by an association with employer members representing multiple
2 trades, industries or professions. The amendment also restores the ability of the
3 Superintendent of Insurance to authorize a separate community rate for fully insured
4 association health plans for multiple employers.
