SUMMARY

This is the majority report of the Joint Standing Committee on Judiciary.

This amendment replaces the proposed language concerning the court's review of agency rulemaking to provide that the court, in conducting its review of a rule, is not required to give deference to the agency's interpretation of the statutes applicable to the rulemaking.

This amendment deletes the bill's proposed changes to the Maine Revised Statutes, Title 5, section 9061 and addresses judicial review of adjudicatory decisions under the Maine Administrative Procedure Act by amending Title 5, section 11007, subsection 3.

This amendment revises the provisions concerning the manner and scope of judicial review of final agency action contained in Title 5, section 11007. Current law provides that the court may not substitute its judgment for that of the agency on questions of fact.

COMMITTEE AMENDMENT

1 This amendment does not change that standard. This amendment establishes that the
2 court is not required to give deference to the agency's interpretation of statutes and rules.
