6 **SUMMARY**

7 This amendment replaces the bill and changes the title. Current law allows a criminal  
8 justice agency to disclose intelligence and investigative record information to a sexual  
9 assault counselor or an advocate for victims of domestic or family violence if a specific  
10 agreement exists between the counselor or advocate and the agency and the agreement  
11 contains terms provided in the statute. The amendment repeals these provisions and  
12 instead places into law a list of requirements that must be met by a sexual assault  
13 counselor or an advocate that receives intelligence and investigative record information  
14 from a criminal justice agency.
