14 a requirement that the Secretary of State implement a system for collecting and logging  
15 concerns from members of the public regarding the conduct of elections. A summary of  
16 these concerns must be included in the election report submitted to the joint standing  
17 committee of the Legislature having jurisdiction over elections matters by December 15th  
18 of each odd-numbered year.

20 from each of the 2 political parties holding the largest number of seats in the Legislature  
21 and one member of a minor political party or who is unenrolled. The Post-election Audit
