3 **SUMMARY**

4 This amendment, which is the minority report of the committee, makes the following

6 1. It makes technical changes to reflect the emergency enactment of Public Law
7 2019, chapter 79 and Public Law 2019, chapter 168.

8 2. It moves provisions of current law that authorize the Department of
9 Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery
10 Operations to, in special circumstances, set prices on spirits at different levels than those
11 established by the State Liquor and Lottery Commission from a section of the Maine
12 Revised Statutes, Title 28-A related to the state tax on spirits to a section of Title 28-A
13 related to the administration of the spirits business by the bureau.

14 3. It clarifies that an on-premises retail licensee must purchase spirits from an agency
15 liquor store that is licensed as a reselling agent.

16 4. It removes the provision of the bill authorizing the bureau to offer instant
17 redeemable coupons to spirits customers through a publicly accessible website or digital
18 media platform.

19 5. It expands the list of entities that may benefit from a donation of liquor to be
20 auctioned or offered as a prize for fund-raising purposes or sold by a licensed
21 on-premises retailer during a fund-raising event to include a county, city, town or

32 suppliers and manufacturers of spirits, to conduct up to 10 spirits taste-testing events per
33 year. The amendment further authorizes a supplier of spirits or a foreign manufacturer of
34 spirits, which is defined as a person who produces spirits outside of the State, to obtain a
35 license to conduct up to 10 taste-testing events per year.

36 9. It clarifies that revenue from the state tax on spirits must be transferred to the
