10 section number to read consecutively.

11 **SUMMARY**

12 Under current law, the Commission on Governmental Ethics and Election Practices
13 determines distribution amounts for candidates by looking at certain factors, including
14 campaign expenditures from the Maine Clean Election Fund from the 2 previous election
15 cycles. This amendment repeals the requirement that distributions during the 2012
16 election cycle must be reduced by 5% from the amounts distributed during the 2010
17 election cycle. This amendment provides a set amount for distributions for the 2012 and
18 2014 election cycles, which will be used when determining future distributions, and
19 maintains the single distribution proposal included in the bill. This amendment doubles
20 the amount of seed money contributions legislative candidates may receive. The
21 amendment adds an appropriations and allocations section to the bill.
