- 14 Sec. 1. 25 MRSA §2452, first ¶, as amended by PL 2007, c. 632, §1, is further 15 amended to read:

16 The Commissioner of Public Safety shall adopt and may amend rules governing the 17 safety to life from fire in or around all buildings or other structures and mass outdoor gatherings, as defined in Title 22, section 1601, subsection 2, within the commissioner's 18 jurisdiction. These rules do not apply to nursing homes having 3 or fewer patients. 19 20 Automatic sprinkler systems may not be required in existing noncommercial places of 21 assembly. Noncommercial places of assembly include those facilities used for such purposes as deliberation, worship, entertainment, amusement or awaiting transportation 22 23 that have a capacity of 100 to 300 persons. Automatic sprinkler systems may not be 24 required in existing commercial places of assembly that are open for no more than 50 days per calendar year. "Commercial places of assembly" includes bars with live 25 entertainment, dance halls, nightclubs, assembly halls with large open areas in which 26 patrons stand or sit, commonly referred to as "festival seating," and restaurants. Rules 27 28 adopted pursuant to this section are routine technical rules, except that rules pertaining to 29 fire sprinklers are major substantive rules, both of which are defined in Title 5, chapter 30 375, subchapter 2-A.
