Be it enacted by the People of the State of Maine as follows: 2 Sec. 1. 35-A MRSA §4712 is enacted to read: 3 §4712. Gas emergency response 4 1. **Definitions.** As used in this section, unless the context otherwise indicates, 5 "natural gas event" means an explosion, fire or similar event that is caused by or involves natural gas controlled, transported or delivered by a gas utility or a natural gas pipeline 6 7 utility and that causes property damage or personal injury. 8 **2. Response.** Following a natural gas event, the commission shall: 9 A. Immediately seek to ensure, to the full extent of its authority and resources, that all evidence of the natural gas event is retained and secured; 10 11 B. In any commission proceeding concerning the natural gas event, afford any person injured by the event and any person who suffered property damage in the 12 event an opportunity to address the commission regarding the event; 13 14 C. To the extent practicable, consistent with section 117, use any administrative penalties collected from a gas utility or natural gas pipeline utility for a violation of 15 this Title relating to the natural gas event to equitably compensate persons not 16 otherwise fully compensated for injuries or property damage suffered as a result of 17 18 the event; and 19 D. Cooperate with and assist, to the extent reasonable and practicable, any person seeking recovery in a civil action against a natural gas utility or natural gas pipeline 20 21 utility for personal injury or property damage suffered as a result of the natural gas 22 event. 23 **SUMMARY** 24 This bill requires the Public Utilities Commission, in the event of a natural gas 25 explosion or fire or other natural gas event involving a gas utility or natural gas pipeline 26 utility that results in injury to persons or damage to property, to: 27 1. Immediately seek to ensure, to the full extent of its authority and resources, that all 28 evidence of the natural gas event is retained and secured; 29 2. In any commission proceeding concerning the natural gas event, afford any person 30 injured by the event and any person who suffered any property damage in the event an 31 opportunity to address the commission regarding the event; 32 3. Use administrative penalties collected from a gas utility or natural gas pipeline 33 utility for violations relating to the event to equitably compensate persons not otherwise fully compensated for injuries or property damage suffered as a result of the event; and 34 35 4. Cooperate with and assist, to the extent reasonable and practicable, any person 36 seeking recovery in a civil action against a natural gas utility or natural gas pipeline 37 utility for personal injury or property damage suffered as a result of the event.
