 10 motor vehicle nonconsensual tow is not liable for any charge not itemized on the invoice

SUMMARY

13 This amendment strikes and replaces the bill. Like the bill, the amendment requires a person who tows a commercial motor vehicle without consent to provide an itemized 14 15 invoice before demanding payment for any charge relating to a commercial vehicle nonconsensual tow. Unlike the bill, the amendment does not require that a person 16 holding or storing a towed vehicle place on the invoice a notice to direct complaints about 17 18 overcharging to the traffic division of the State Police. The amendment also does not impose a penalty for failure to itemize an invoice or post the required notice or for the 19 20 improper impoundment of contents or cargo of a commercial motor vehicle, all of which 21 are required in the bill.

Like the bill, the amendment defines "commercial motor vehicle" and "commercial motor vehicle nonconsensual tow." The amendment adds a definition of "perishable cargo."
