

125th MAINE LEGISLATURE

FIRST REGULAR SESSION-2011

Legislative Document

No. 997

H.P. 733

House of Representatives, March 10, 2011

Resolve, Directing the Commissioner of Marine Resources To Review the Composition of the Scallop Advisory Council and Recommend Any Changes Necessary To Ensure Appropriate Representation

Reference to the Committee on Marine Resources suggested and ordered printed.

Heath & Print

HEATHER J.R. PRIEST Clerk

Presented by Representative TILTON of Harrington. Cosponsored by President RAYE of Washington and Representatives: DOW of Waldoboro, McKANE of Newcastle, PARKER of Veazie. 1 Sec. 1. Review. Resolved: That the Commissioner of Marine Resources shall 2 review the composition of the Scallop Advisory Council established pursuant to the Maine Revised Statutes, Title 12, section 6729-B. The commissioner shall compare the 3 4 number of licenses issued to scallop harvesters who hold hand fishing scallop licenses 5 and to scallop harvesters who hold scallop draggers licenses, determine whether the number of members on the Scallop Advisory Council representing each type of license 6 7 holder accurately represents the relative numbers of each type of license holder and 8 recommend any changes necessary to ensure appropriate representation; and be it further

Sec. 2. Report. Resolved: That, by December 7, 2011, the Commissioner of
Marine Resources shall report to the Joint Standing Committee on Marine Resources on
the commissioner's findings and recommendations, including any necessary
implementing legislation, concerning the composition of the Scallop Advisory Council.

13

SUMMARY

This resolve directs the Commissioner of Marine Resources to review the composition of the Scallop Advisory Council to determine whether the number of members on the Scallop Advisory Council representing each type of license holder accurately represents the relative numbers of each type of license holder. The resolve directs the commissioner to report to the Joint Standing Committee on Marine Resources on its findings by December 7, 2011 and recommend any changes necessary to ensure appropriate representation.
