The Predator Control and Deer Habitat Fund Maine Deer Management Fund, referred to in this section as "the fund," is established within the department as a nonlapsing fund to be used by the commissioner to fund or assist in funding predator control and to enhance deer habitat. The commissioner shall establish on the department's online licensing system checkoff options that allow a person to donate money for predator control or deer habitat enhancement. The checkoff options must be prominently displayed and contain web links to information about how the checkoff revenues have been and will be used. The commissioner shall also print in a prominent place on every paper application for a hunting license checkoff options that allow a person to donate money to the fund for predator control or deer habitat enhancement. Revenues from the checkoffs must be deposited in the fund and used for purposes indicated by the checkoffs.

Notwithstanding section 10801, subsection 4, \$2 of each deer registration fee collected under section 12301-A, subsection 3, paragraph C must be deposited in the fund. Fifty percent of the funds deposited in the fund from the deer registration fees must be used for predator control purposes and 50% of the deposited fees must be used to enhance deer habitat. The commissioner may accept and deposit into the fund monetary gifts, donations or other contributions from public or private sources for the purposes specified in this section. The fund must be held separate and apart from all other money, funds and accounts. The department shall report annually to the joint standing committee of the Legislature having jurisdiction over inland fisheries and wildlife matters on the fund and its utilization.

Sec. 4. Appropriations and allocations. The following appropriations and allocations are made.

SUMMARY

This amendment strikes and replaces the bill. 36

> It authorizes the Commissioner of Inland Fisheries and Wildlife to regulate the feeding of deer in certain circumstances.

1	It requires the commissioner to direct the Inland Fisheries and Wildlife Advisory
2	Council members to convene stakeholder groups at least annually in strategic areas of the
3	State where deer populations need to be enhanced.
4	It renames the existing Predator Control and Deer Habitat Fund the "Maine Deer
5	Management Fund." It requires that every application for a hunting license include
6	checkoff options that allow a person to donate money to the fund for predator control or
7	deer habitat enhancement. It also requires that \$2 of every deer registration fee be
8	credited to the Maine Deer Management Fund.
9	The amendment also adds an appropriations and allocations section.
