**JOINT RESOLUTION RECOGNIZING THE JUSTICE ACTION  
GROUP'S 2013 ACCESS TO JUSTICE DAY**

**WHEREAS**, the Justice Action Group is a coalition established in 1995 to provide leadership and coordination in planning for the provision of civil legal aid to low-income and elderly people of the State; and

**WHEREAS**, equal access to justice is a bedrock principle of a free, constitutional society, and no system of laws and constitutional protections can be credible or effective if only those who can afford a private lawyer may avail themselves of it; and

**WHEREAS**, providing equal access to justice has tangible, widespread benefits for Maine's families, children, schools, communities, businesses, charities and government, and the availability of legal aid has been shown to be effective in reducing the incidence of domestic violence by ensuring that victims receive court protection orders; and

**WHEREAS**, Maine's employers benefit when employees who receive legal assistance miss less work and are less distracted by unresolved legal issues; and

**WHEREAS**, legal issues profoundly affect basic human needs such as shelter, sustenance, safety from violence, health and child protection; and

**WHEREAS**, in the current economic downturn, the need for legal aid and pro bono representation in Maine remains acute; now, therefore, be it

**RESOLVED:** That We, the Members of the One Hundred and Twenty-sixth Legislature now assembled in the First Regular Session, on behalf of the people we represent, pause to acknowledge and express our appreciation and strong support for Maine's legal aid provider organizations and Maine's private practice attorneys who provide pro bono service for those otherwise unable to afford legal representation on the Justice Action Group's 2013 Access to Justice Day; and be it further

**RESOLVED:** That a suitable copy of this resolution, duly authenticated by the Secretary of State, be transmitted to the Justice Action Group.
