Presented by Senator SAVIELLO of Franklin.

## 1 Be it enacted by the People of the State of Maine as follows: 2 **Sec. 1. 20-A MRSA §15672, sub-§22-A, ¶B,** as enacted by PL 2005, c. 519, Pt. 3 AAAA, §4, is amended to read: 4 B. The average of the pupil density model under paragraph A and an odometer miles 5 model based on the gross cost per pupil conveyed for each school administrative unit that is predicted by the odometer miles traveled per pupil conveyed by the school 6 administrative unit. For purposes of this paragraph, the odometer miles model must 7 8 take into account all miles traveled when covering the same road in both directions when necessitated by geographical or other constraints. 9 **SUMMARY** 10 11 This bill amends the formula for calculating school transportation costs to require the inclusion of all mileage accumulated for so-called "one-way trips," in which a school bus 12 is required to travel the same road in both directions due to geographical constraints to 13 drop off or pick up a student. 14
