Testimony of the Maine Municipal Association
Neither For Nor Against
LD 79-An Act To Protect Shooting Ranges

February 6, 2019

Senator Dill, Representative Nadeau, and members of the Joint Standing Committee on Inland Fisheries and Wildlife, my name is Rebecca Graham and I am submitting testimony neither for nor against LD 70 *An Act To Protect Shooting Ranges* on behalf of the Maine Municipal Association and at the direction of our 70-member Legislative Policy Committee.

Municipal officials believe adding shooting ranges to the exemptions for setback provisions for firing a weapon in existence Title 12 §11209 may add clarity to the use of this rule in application against an existing shooting range where new development clash with an existing use.
