RE: Recommendations Regarding the Relevant Parts of the Governor’s Proposed Biennial Budget Bill (LD 353)

The Joint Standing Committee on Utilities and Energy has reviewed those portions of the Governor’s Proposed Biennial Budget Bill, LD 353, relating to the Energy Conservation Board, the Public Advocate and the Public Utilities Commission. The committee has voted 13-0 to accept the proposals contained in those portions of the budget with one change, which is noted on page UTE-1 of the attached budget worksheet form. As shown on the worksheet, we recommend that the Energy Conservation Board allocation be reduced from $263,400 to $213,400 in FY09-10 and FY10-11. This was recommended by the Energy Conservation Board to correct a clerical error that occurred in the submission of the budget.

Thank you for this opportunity to comment on the biennial budget. Please let us know if you have any questions.
