

§1314-A. Goal

The goal of the State in the area of lead poisoning is to eradicate childhood lead poisoning by the year 2030 through the elimination of potential sources of environmental lead. By January 1, 2025, the department shall submit a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters regarding progress made toward this goal. The report must include any recommendations the department may have to revise the goal, along with any necessary legislation. [PL 2019, c. 479, §1 (AMD).]
