

§25. Restrictions of the number of replacement electronic benefits transfer cards

When the department determines that the number of requests by a recipient of benefits for a replacement electronic benefits transfer card is excessive, the department shall require the recipient or a member of the recipient's household to contact the recipient's local office of the department to provide an explanation for the requests. Upon a 5th request for a replacement card within a 12-month period, the department may not issue a replacement card until the recipient or a member of the recipient's household reports to the recipient's local office of the department to explain the excessive number of replacement requests.
