A. "Child care center" means:

(2) Any location or locations operated as a single child care program or by a person or persons when there are more than 12 children being cared for. [PL 2001, c. 645, §6 (NEW).]

B. "Child care facility" means a child care center, small child care facility or nursery school. "Child care facility" does not include a facility operated by a family child care provider, a youth camp licensed under section 2495, programs offering instruction to children for the purpose of teaching a skill such as karate, dance or basketball, a formal public or private school in the nature of a kindergarten or elementary or secondary school approved by the Commissioner of Education in accordance with Title 20-A or a private school recognized by the Department of Education as a provider of equivalent instruction for the purpose of compulsory school attendance. Any program for children under 5 years of age that is located in a private school and programs that contract with one or more Child Development Services System sites are required to be licensed as a child care facility. [PL 2009, c. 211, Pt. B, §20 (AMD).]

B-1. "Emergency circumstances" means a situation in which the department determines there are extenuating and urgent circumstances that necessitate a family child care provider's or child care facility's having to relocate or the establishment of a new family child care provider or child care facility. "Emergency circumstances" includes, but is not limited to, a situation affecting the home or child care facility such as a natural disaster, contamination, fire, water damage, unsafe environmental conditions, a pandemic or the unplanned closure of another family child care provider or child care facility. [PL 2023, c. 567, §3 (NEW).]

C. "Family child care provider" means a person who provides day care in that person's home on a regular basis, for consideration, for 3 to 12 children under 13 years of age who are not the children of the provider or who are not residing in the provider's home. If a provider is caring for children living in that provider's home and is caring for no more than 2 other children, the provider is not required to be licensed as a family child care provider. [PL 2021, c. 35, §17 (AMD).]

D. "Nursery school" means a house or other place in which a person or combination of persons maintains or otherwise carries out for consideration during the day a regular program that provides care for 3 or more children 33 months of age or older and under 8 years of age, provided that:

The department shall make at least one unannounced inspection of a child care facility licensed under this chapter during the term of the license. [PL 2021, c. 35, §18 (AMD).]

4. Complaints. Upon receipt of a complaint about a licensed child care facility or family child care provider and if the department has reasonable cause to suspect that a violation of the licensure requirements has occurred, the department may investigate the complaint and enter the premises at any reasonable time for the purposes of the investigation.

[PL 2021, c. 35, §19 (AMD).]

5. Administrative suspension. Whenever conditions exist that immediately jeopardize the health and safety of children, the commissioner may issue an order of closure, which suspends the license of the family child care provider or child care facility for up to 10 days, pending further investigation or prior to obtaining an order of emergency suspension from the court. The department shall require that an order of closure be posted at the facility and made public as it determines to be most appropriate for parents and other potential customers.

The department may issue a temporary license to a licensed child care facility or family child care provider in a new location or to a new child care facility or family child care provider. The department may issue a temporary license, which is valid pending final action on the application by the department, only under the following conditions:

A. The licensed child care facility or family child care provider moves to a new location and:

(1) All applicable standards have been met except a requirement that is dependent on the action of an agency of State Government or a contractor of that agency; and

(2) Through no action by the child care facility or family child care provider that causes a significant delay, timely issuance of a provisional or full license has been delayed by the agency or contractor under subparagraph (1); or [PL 2023, c. 567, §5 (NEW).]

B. Due to emergency circumstances, the licensed child care facility or family child care provider moves to a new location or a new child care facility or family child care provider is established and the department determines that:

[PL 2023, c. 567, §5 (NEW).]

7. Injunctive relief. The department may seek an injunction to require compliance with the provisions of this section or rules adopted pursuant to this section.

[PL 1999, c. 363, §5 (NEW).]

8. Rulemaking. The department shall adopt rules to implement this section. Rules adopted pursuant to this section are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

[PL 2005, c. 530, §7 (AMD).]

9. Exemption from certain requirements for accredited Montessori schools.
