As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 1997, c. 206, §1 (NEW).]

1. Body piercer. "Body piercer" means a person who performs body piercing on another. [PL 1997, c. 206, §1 (NEW).]

2. Body piercing. "Body piercing" means the creation of an opening in the body of a human being for the purpose of inserting jewelry or other decoration. This includes, but is not limited to, piercing of an ear, lip, tongue, nose or eyebrow. "Body piercing" does not, for the purpose of this chapter, include piercing an earlobe with a disposable, single-use stud or solid needle that is applied using a mechanical device to force the needle or stud through the earlobe. Piercing in an area other than the earlobe, located at the lower end of the ear, is "body piercing" as defined in this subsection and subject to the licensing requirements of this chapter. [PL 2007, c. 184, §1 (AMD).]

3. Body piercing establishment. "Body piercing establishment" means the premises where a body piercer performs body piercing. [PL 1997, c. 206, §1 (NEW).]

4. Department. "Department" means the Department of Health and Human Services. [PL 1997, c. 206, §1 (NEW); PL 2003, c. 689, Pt. B, §6 (REV).]

5. Minor. "Minor" means an individual under 18 years of age who is not emancipated as defined by Title 15, section 3003, subsection 6. [PL 1997, c. 206, §1 (NEW).]

1. License renewal. A license under this chapter may be renewed annually upon payment of the prescribed fee, including late fees, additional inspection fees and fines if assessed and subject to compliance with rules of the department and this chapter. The department shall provide licensees with notice of the need for renewal and necessary forms no less than 30 days prior to the expiration of a license.

[PL 2021, c. 125, §35 (NEW).]

2. Conditional license. When an applicant for initial licensure or license renewal is found, based upon an inspection by the department, not in compliance with this chapter or rules adopted pursuant to section 4326, the department may refuse issuance of the initial or renewal license, but shall issue a conditional license, except when conditions are found that present a serious danger to the health and safety of the public. Failure by the conditional licensee to meet the conditions specified by the department permits the department to void the conditional license. The applicant may reapply for an annual license if the conditional license is voided or expires; however, the department may not reissue another conditional license. All conditions must be met in order for an applicant to reapply for and be issued an annual license.
