

§86-A. Controlled substances

Notwithstanding any provision of law to the contrary, an ambulance service, nontransporting emergency medical service, community paramedicine service, emergency medical services person and community paramedicine clinician that are licensed by the board, or in the case of a community paramedicine service is authorized by the board, to provide advanced emergency medical treatment or community paramedicine, in accordance with rules adopted by the board, may procure, possess, administer and furnish controlled substances as defined in Title 22, section 2383-B, subsection 3, paragraph A. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2025, c. 654, §4 (NEW).]

SECTION HISTORY

PL 2025, c. 654, §4 (NEW).

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the Second Regular Session of the 132nd Maine Legislature and is current through October 1, 2026. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.

PLEASE NOTE: The Revisor's Office cannot perform research for or provide legal advice or interpretation of Maine law to the public. If you need legal assistance, please contact a qualified attorney.
