5. Municipal approval. The commission may not grant a license to conduct pari-mutuel wagering at an off-track betting facility unless the facility is approved in accordance with this subsection by the municipal officers of the municipality in which the facility is to be located.

A. Within 15 days after receiving an application for an off-track betting facility license or within 15 days after the expiration of the 30-day objection period described in subsections 3 and 4 when the proposed facility is located within the market area of an existing off-track betting facility or a commercial racetrack, the commission shall notify the municipal officers of the municipality in

which the facility is to be located and shall send a copy of the application to those officers. The municipal officers shall hold a public hearing for the consideration of the application in accordance with this subsection. [PL 1993, c. 388, §8 (NEW).]

- (3) Noncompliance of the facility or the facility's use with a local zoning ordinance or other land use ordinance;
- (4) Conditions of record, such as waste disposal violations, health or safety violations and repeated parking or traffic violations, on or in the vicinity of the facility and caused by persons patronizing or employed by the facility or other conditions caused by persons patronizing or employed by the facility that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the facility to use their property in a reasonable manner;
- (5) Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the facility and caused by persons patronizing or employed by the facility; or

- (2) Will not adversely affect the integrity of live racing;
- (3) Will not have an adverse impact on the local community;
- (4) Provides a potential for job creation, including jobs in the racing and wagering industries and other service jobs;
- (5) Has adequate seating facilities, toilet facilities and parking;
- (6) Will not adversely affect the value of abutting property;

(7) Will be operated by an applicant with financial ability to maintain the facility in a manner that meets the standards set forth in this paragraph;

(8) Provides segregated areas for conducting betting separate from the areas in which restaurant or other services are provided to the general public for nonbetting purposes; and

(9) Will not adversely affect existing licensed off-track betting facilities within 35 miles of the proposed facility. [PL 1993, c. 388, §8 (NEW).]

B. The municipal officers of the municipality in which the facility is to be located have approved the facility pursuant to subsection 5; [PL 1993, c. 388, §8 (NEW).]

C. The commission is satisfied that the provisions of this chapter and any rules prescribed by the commission will be fully complied with during the coming year by the person, association or corporation applying for a license; that the applicant, its members, directors, officers, shareholders, employees, creditors and associates are of good moral character; and that the applicant is financially responsible; and [PL 1993, c. 388, §8 (NEW).]

[PL 1993, c. 388, §8 (NEW).]

8. Requirements for simulcasting. The following requirements apply to simulcasting by off-track betting facilities.

A. An off-track betting facility located within a 75-mile radius of a noncommercial racing licensee may not present a simulcast at the same time that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 2% of the wagers made at the facility at the time live racing is being conducted. An off-track betting facility within a 50-mile radius of a noncommercial racing licensee may not present a simulcast during any day on which that racing licensee is conducting live racing, unless the racing licensee consents and the facility pays the racing licensee 1% of the wagers made on that day. Amounts payable under this section are taken from the facility's share of wagers authorized in section 286. If the racing licensee is conducting simulcasting pursuant to section 295, subsection 2, then the racing licensee is not entitled to payment by the facility under this section. [PL 1997, c. 528, §21 (AMD).]

B. If live racing being conducted in this State is available for simulcast, all off-track betting facilities shall provide broadcasts originated in the State on the monitors in the facility, as required by rule of the commission, and shall accept wagers on those races on all of its pari-mutuel selling terminals. The races must be broadcast as announced on the track. At any time harness racing originated in the State is available for simulcast, the facility may not broadcast harness racing from outside the State without approval of:

(1) Each racetrack in the State conducting harness racing at that time; and

(2) Either the association representing the horsemen at those tracks at that time or the commission. [PL 1997, c. 528, §22 (AMD).]

committee of the Legislature having jurisdiction over agricultural matters on the effect of off-track betting facilities on the local economy, the public interest, the integrity of live racing and other matters the department finds appropriate. The department may include in its report any recommendations for necessary changes in laws governing off-track betting.

[PL 2019, c. 626, §11 (AMD).]

10. License nontransferable. An off-track betting facility license issued is not transferable or assignable.

[PL 1997, c. 528, §24 (NEW).]

11. Revocation. The District Court Judge, as designated in Title 4, chapter 5, may revoke any license issued at any time for violation of the commission's rules or licensing provisions upon notice and hearing. The license of any corporation is automatically revoked, subject to Title 5, chapter 375, upon the change in ownership, legal or equitable, of 50% or more of the voting stock of the corporation, and the corporation may not conduct off-track betting without a new license.

[PL 1999, c. 547, Pt. B, §26 (AMD); PL 1999, c. 547, Pt. B, §80 (AFF).]

12. Approval of dates. An applicant for an initial off-track betting facility license or renewal of an off-track betting facility license shall identify the dates on which pari-mutuel wagering will be conducted. When approving an initial license or the renewal of a license for an off-track betting facility, the commission shall identify the dates on which pari-mutuel wagering is permitted at the off-track betting facility.

[PL 1997, c. 528, §24 (NEW).]

13. Conditions. The commission is authorized to impose conditions on a license if one or more of the criteria established in this section are not met at the time the license is issued and the licensee is able to comply with the conditions within a specified time period during the licensing year or if the conditions are requested both by the municipality as a condition of its approval and by the applicant.
