§3654. Continued existence of New Hampshire member school district

A New Hampshire member school district shall continue in existence, and shall have all of the powers and be subject to all of the obligations imposed by law and not herein delegated to the interstate district. If the interstate district incorporates only a part of the schools in the member school district, then the school board of the member school district shall continue in existence and shall have all of the powers and be subject to all of the obligations imposed by law on it and not herein delegated to the district. However, if all of the schools in the member school district are incorporated into the interstate school district, then the member or members of the interstate board representing the member district shall have all of the powers and be subject to all of the obligations imposed by law on the members of a school board for the member district and not herein delegated to the interstate district. The New Hampshire member school district shall remain liable on its existing indebtedness; and the interstate school district shall not become liable therefor, unless the indebtedness is specifically assumed in accordance with the articles of agreement. Any trust funds or capital reserve funds and any property not taken over by the interstate district shall be retained by the New Hampshire member district and held or disposed of according to law. If all of the schools in a member district are incorporated into an interstate district, then no annual meeting of the member district shall be required unless the members of the interstate board from the member district shall determine that there is occasion for such an annual meeting.
