

§5111. Bond issues

The authority may issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this chapter, including, but not limited to, the payment of principal and interest upon any advances for surveys and plans, and may issue refunding bonds for the payment or retirement of bonds previously issued by it. The bonds must be made payable, as to both principal and interest, solely from the income, proceeds, revenues and funds of the authority derived from or held in connection with its undertaking and carrying out of urban renewal projects under this chapter, provided that payment of the bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the Federal Government or other source, in aid of any urban renewal projects of the municipality under this chapter, and by a mortgage of any urban renewal projects, or any part of a project, title to which is in the municipality. Bonds issued under this chapter are declared to be issued for an essential public and governmental purpose and, together with interest on and income from the bonds, are exempt from all taxes.

The bonds and obligations shall so state on their face. The bonds or obligations may not, in any case, be payable out of any funds or properties other than those of the authority acquired for the purposes of this chapter.
