

§6100-AA. Consent agreements

The administrator may enter into a consent agreement at any time with a person to resolve a matter arising under this Act or a rule adopted or order issued under this Act. A consent agreement must be signed by the person to whom it is issued or by the person's authorized representative and must indicate agreement with the terms contained in the agreement. A consent agreement may contain a provision that it does not constitute an admission by a person that this Act or a rule adopted or order issued under this Act has been violated. A consent agreement may be entered into only with the consent of the applicant, licensee or registrant; the administrator; and the Attorney General. A remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a license and revocation of a designation of an authorized delegate. A consent agreement is not subject to review or appeal and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court. [PL 2023, c. 662, §2 (NEW).]
