The State Tax Assessor may for good cause extend for not more than 60 days the time for placing the instrumentality in use in interstate or foreign commerce.

For purposes of this subsection:

A. Property is placed in use as an instrumentality of interstate or foreign commerce by its carrying of or providing the motive power for the carrying of a bona fide payload in interstate or foreign commerce or by being dispatched to a specific location at which it will be loaded with, or will be used as motive power for the carrying of, a bona fide payload in interstate or foreign commerce.

(1) Property dispatched for the carrying of or providing the motive power for the carrying of a bona fide payload in interstate or foreign commerce is considered in use from the date of dispatch through the date the property arrives back at its principal place of business or is dispatched for the carrying of or providing the motive power for the carrying of a new bona fide payload, whichever occurs first. Any day or portion of a day in which an instrumentality is used in interstate or foreign commerce is computed as a full day of use in interstate or foreign commerce. Property dispatched for the carrying of or providing the motive power for the carrying of a bona fide payload in intrastate commerce is considered in use from the date of dispatch through the date the property arrives back at its principal place of business or is

dispatched for the carrying of or providing the motive power for the carrying of a new bona fide payload, whichever occurs first. For purposes of this subparagraph, use of a trailer, semitrailer or tow dolly, as defined in Title 29-A, section 101, pursuant to a written interchange agreement as described in 49 Code of Federal Regulations, Section 376.31, or successor regulation, between the purchaser and an authorized motor carrier is considered use by the purchaser.

(2) Personal property is not in use as an instrumentality of interstate or foreign commerce when carrying a bona fide payload that both originates and terminates within the State, unless the personal property is a bus with a capacity of at least 47 passengers that is engaged in transporting within the State a bona fide payload of travelers on an interstate or foreign cruise that originates outside the State and terminates outside the State and the transportation is provided pursuant to a contract between the interstate or foreign cruise provider and the person providing the transportation.

(3) Any day in which an instrumentality is not used in intrastate commerce or interstate or foreign commerce, including while being repaired or maintained, is not counted in the 80% computation; and [PL 2017, c. 375, Pt. I, §2 (NEW).]

B. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Bona fide payload" means a cargo of persons or property transported by a contract carrier or common carrier for compensation that exceeds the direct cost of carrying that cargo or pursuant to a legal obligation to provide service as a public utility or a cargo of property transported in the reasonable conduct of the purchaser's own nontransportation business in interstate or foreign commerce.

(2) "Dispatch" means to send to a destination for the purpose of interstate or foreign commerce or for the purpose of intrastate commerce. [PL 2017, c. 375, Pt. I, §2 (NEW).]
