

§713. Supplemental assessments

Supplemental assessments may be made within 3 years from the last assessment date whenever it is determined that any estates liable to taxation have been omitted from assessment or any tax on estates is invalid or void by reason of illegality, error or irregularity in assessment. A supplemental assessment may be made during the municipal year whenever, through error or inadvertance, the assessors have omitted from their assessment or commitment taxes duly raised by the municipality or its proportion of any state or county tax payable during the municipal year. In municipalities not a part of a primary assessing area, the assessors for the time being may, by a supplement to the invoice and valuation and the list of assessments, assess such estates for their due proportion of such tax, according to the principles on which the previous assessment was made. In primary assessing areas, the chief assessor may, by a supplement to the valuation list, certify the valuation of such estates to the municipal officers who shall assess such estates according to the principles upon which the previous assessment was made. [PL 1979, c. 31 (AMD).]

Such supplemental assessments shall be committed to the collector for the time being with a certificate as provided in sections 709 and 709-A stating that they were invalid or void or omitted and that the powers in the previous warrant, naming the date of it, are extended thereto. The tax collector has the same power, and is under the same obligation to collect them, as if they had been contained in the original list. Interest shall accrue on all unpaid balances of any supplemental tax, beginning on the 60th day after the date of commitment of the supplemental tax to the collector or the date interest accrues for delinquent taxes under the original commitment, whichever occurs later. The rate of interest shall be the same as specified by the municipality for the current tax year, in accordance with section 505, subsection 4. [PL 1979, c. 612 (AMD).]

All assessments shall be valid, notwithstanding that by such supplemental assessment the whole amount exceeds the sum to be assessed by more than 5%.

The lien on real estate created by section 552 may be enforced as provided in section 948.

Persons subjected to a tax under this section are deemed to have received sufficient notice if the notice required by section 706-A was given. [PL 2017, c. 367, §6 (AMD).]
